Old Business:

Mike W. made effort to speak with CEO and found out he is absent due to health problems. Mike contacted the Sec. of the appeals board for the meeting minutes of Mr. Wilbur, she advised we would get them. Chairman of the appeals board then contacted Mike W. to see why he had called, Mike explained we need meeting minutes of the Wilbur appeal. He also said we would get them. As of today we still have not received. It was also mentioned by the appeals board, the appeals board doesn't want to make waves, they have the "Good old boys" attitude vs the pledge to up hold the ordinances for the Town's people. It appears to us Planning board members, we are not needed by the Town's people if we are not going to up hold the ordinances. Sandy motioned to approach the selectmen to find a way to improve the communications w/ the PB, AB & CEO. At present issues have been on hold due to poor communication and the ordinances NOT followed. Butch 2nd, all in favor.

Mike will contact Mrs. Moody to instruct her what to do on the permit copy we have been given.

New Business: Annual report is due April 24 and Sandy will take care of this report.

Other: A letter from Camden National Bank was received and Mr. Roads responded with a letter. Mike W. met with a potential buyer and advised on options available.
