

SOIL SURVEY LEGEND FOR KENNEBEC COUNTY, MAINE

This legend is a listing of all soil map units mapped in the county. In the left hand column are the soil symbols as they appear in the soil survey report. The first two letters of the symbol identify the kind of soil in a delineation. The last letter in the symbol indicates the slope of the map unit. The soil map unit name is given for each map symbol. A detailed description for each soil map unit is given in the county Soil Survey Report. **(*Indicates that these map units were added to the digital soil data set (SSURGO) for joining purposes. For a description of these map units see the Waldo County (*) and the Knox-Lincoln County Soils Report (**).)**
