OVERVIEW

Special events, whether a wedding reception or a professional seminar, involve considerable coordination between host and event staff. But despite careful planning the unexpected may occur—exposing the host to potential liability for bodily injury or property damage. Intact Entertainment can help with GatherGuard —a general liability insurance program that provides you with convenient, low-cost coverage for special events. GatherGuard can help mitigate your risks, while providing valuable protection to the host and venue.

WHAT IS GATHERGUARD?

When an individual or organization rents a facility or venue for an event, GatherGuard provides low-cost general liability insurance. It protects both the user and the facility against claims by guests who may be injured as a result of attending the event. It's an easy- to-use, fast method of insuring most types of events including seminars, weddings and receptions, birthday parties and concerts.

HOW IT WORKS

Intact Entertainment will work with you to set coverage limits, special additional insured language (if required by venue; must be approved by Intact); and contact preferences. Customers will be able to see predetermined information, options customized to your venue or organization, and the type of event being held. You will be able to send customers directly to gatherguard.com to purchase insurance through our simple, online system.

Our support team is available by phone or email to answer questions about GatherGuard or to offer technical assistance. Once purchased, the policy and proof of coverage will be delivered instantly to the email address entered on the online application.
