Location: Beginning at Hinckley Rd and going 2/10 miles.

Material: Purchase 1/2" shim and place 12.5mm 1 1/2" loose, compacted to 1" overlay hot mix asphalt material until over culvert then 2" inch base compacted and 1" inch of compacted surface.

HORSEBACK ROAD

Length: 2 Miles- Width of Pavement: 21 feet.

Location: Beginning at house #149 and going 2 miles to past house #570

Material: Purchase 1/2" shim and place 12.5mm 1 1/2" loose, compacted to 1" overlay hot mix asphalt material.

GOODRICH ROAD

Length: 1.1 miles- Width of Pavement: 20 feet.

Location: Entire Length; Beginning at Intersection with Hill rd and going to Intersection with Battleridge road.

Material: Purchase 1/2" shim and place 12.5mm 1 1/2" compacted to 1" overlay hot mix asphalt material.

CONTRACTOR CONDITIONS

- A. The successful bidder will provide a valid insurance certificate before starting work on the project and provide evidence satisfactory to the Town of Clinton that it and its subcontractors, if any, have secured public liability, automobile and workers' compensation insurance coverage.
- B. The successful bidder must provide bonding for the project.
- C. Properly grind and pave all butt joints and paved driveway entrances for smooth transition.
- D. Provide all necessary engineering, centerline, finish grades, layout, and supervision for the project.
- E. Any additional incidental work, approved by the Town of Clinton, shall be done on a time and material cost basis.
- F. The contractor shall provide the Town with truck weight slips and a mix design of the products used.
- G. The Contractor shall follow the MDOT standard specifications, (November 2014 Edition, Section 401 Hot Asphalt Pavement where applicable).
- H. Dig Safe project as required by law.
- I. Each bidder must visit the sites of service and inform itself of the conditions relating to the area which the services shall be performed. Failure to do so will not relieve a successful bidder of its obligations to furnish all equipment, material, tack, and labor necessary to carry-out the provisions of the agreement and to complete the contemplated work for the consideration set forth in the Bid Proposals. The Town of Clinton disclaims any and all responsibility for injury to Bidders, their agents or others while examining the work site or at any other time. Bidders are responsible for all of their own costs in preparing and submitting bids hereunder.
- J. All services to be furnished to the Town of Clinton shall be performed with equipment, methods and use of personnel in accordance with the pertinent Occupational and Safety and Health Act (OSHA) requirements of the State of Maine and the United States.
- K. The Contractor must visit the sites of service and inform itself of the conditions relating to the area in which the services shall be performed.
- L. Purchase and properly place ½ inch Shim of 9.5 mm Hot Mix asphalt base material where appropriate.
- M. Purchase and properly place 1 inch compacted surface of 12.5 mm Hot Mix asphalt surface material where appropriate.
- N. The Contractor shall be responsible for all Traffic Control implemented at an industry standard.

BID PROPOSAL DEADLINE

Bids must be received by the Town of Clinton by **THURSDAY, MARCH 20, 2025 at 12:00 p.m.** All bids must be submitted in a clearly marked and sealed envelope to:

**TOWN OF CLINTON
2025 ROAD PAVING PLAN
Road Commissioner, Daniel Swain
27 Baker Street, Clinton, ME 04927**

Sealed Bids will be opened and reviewed by the Road Commissioner at the deadline date and time. The road commissioner will compile all bids for the Selectboard to review at their regularly scheduled meeting on **Tuesday, MARCH 25, 2025 at 6:30 p.m.** The Board of Selectmen may award the bid at that time.

The Town of Clinton reserves the right to waive any informality in bids, to accept any proposal and to reject any and all bids, should it be deemed in the best interest of the Town of Clinton to do so.
